☞ The presidential contest looks more and more hopefully in favor of the success of the Whig candidates at the election of Gen. Scott. The Lowell Journal after taking a close observation of the whole field, gives a cheering account of the progress of the battle. It says that the sound of the battle's roar is heard from one end of the country to the other—"All's well!" Every day, as it wears on the course of the campaign, must have observed that within the last few weeks, since the adjournment of Congress—the Whigs have nearly everywhere rallied with fresh energy, and are conducting their canvass with an earnestness and enthusiasm which confound their opponents. This is particularly the case in the great central and Western States. Scott appears to be even more popular in Pennsylvania than Taylor was four years since, and he will poll a larger majority—say from fifteen to twenty thousand, at least. And so with New York—the Empire means to compete with the Keystone state, for the honor of giving the largest majority for Scott and Graham. It is rare that any Locofoco can be found, who thinks of claiming the electoral vote of either State for Pierce. The voice of the cataract on the borders of the one, and the blast of the forges in the other or of little other, is not louder, stronger or more energetic, than will be the voice of their friends in November, for the whig candidates. In Tennessee, the enthusiasm of the whigs is unprecedented, and the State is safe for Scott by from five to six thousand majority, at least. In Ohio, a great battle is being fought—and the omens are auspicious for a whig victory there. Intelligent gentlemen, who are familiar with the politics of the State, confidently claim it for Scott. A large number of the Free Soilers will vote for him, and Hale will retain a good portion of the abolition Democracy. The State election on the second Tuesday of October will hardly be a fair test of the relative strength of parties—but on the first Tuesday of November, we may count upon an overwhelming defeat of the Pierce ticket among the Buckeyes. In the Northwest and in the South every thing looks better than four years since—we repeat the single State of Georgia, where parties are so divided and confounded, that it is impossible to tell at this moment which will be the first in the race. The Scott cause, however, is rapidly gaining ground there, and with the powerful advocacy of Mr. Berrien, the best friends may be looked for. In a word, the battle goes on bravely and well in all directions. Gen. Pierce has no claims upon the popular support, and it is impossible to get up any enthusiasm in his behalf. As a civilian—for in this capacity the chief merit is claimed for him—he stands not higher than any one of the lower order of the three hundred and ninety-five members of Congress. His services, such as they were, or rather his votes, have been constantly adverse to the true interests of the country—to the protection of native industry and to all the great measures—great principles of national policy, which have made both East and West prosper, and knit them together in the tie of brotherhood. In Scott, on the other hand, we have the soldier and the civilian combined—a man who has served his country for the last forty years. To the support of such a man, the people will never fail to rally. As they did for Harrison and for Taylor, so will they now do for Scott—place him at the helm of the republic, whose interests at home and abroad, he has so often and so gallantly defended.

☞ Dr. Cartwright, of New Orleans, communicates to the Boston Medical and Surgical Journal an article entitled "The Sugar House Cure for Bronchial, Dyspeptic and Consumptive Complaints." It is stated that a residence in a sugar house during the rolling season far surpasses any other means of restoring flesh, strength and health, lost by chronic ailments of the chest, throat and stomach. The rolling season is the harvest when the canes are cut, the juice expressed and converted into sugar. In Louisiana it commences about the middle of October, and ends at Christmas, but in some times protracted into January. Dr. C. says the vapor is most agreeable and soothing to the lungs and in his own case entirely removed a distressing cough. He stood for hours in the sugar-house, inhaling the vapor, and drinking occasionally a glass of the hot cane juice.

☞ Annexation is boldly spoken of again in the Canadian Parliament, and in a speech lately made by Mr. Papineau, that gentleman intimated that the best thing for the country would be annexation to the United States, and he thought so as he did. The people of Canada had marked the progress of the United States, and had learned to love her republican institutions, from the election of President Pierce to the present time.

☞ The price of land continues to advance in Chicago. Some lots have recently sold for $1,000 per foot, and the demand is still increasing.

DR. MORSE'S
INVIGORATING CORDIAL!

FOR GENERAL DEBILITY, IMPOTENCY, INCONTINENCE OR NOCTURNAL EMISSIONS, &c. The astonishing success which has attended the invaluable medicine, for *Low of Manhood, Impotency, Leucorrhœa, and General Prostration*, or any of the consequences of youthful indiscretion, or indulgence in the passions, in riper years, renders it the most valuable preparation ever discovered, in fact as a remedy for those complaints it stands unrivalled and alone. There is no other reliable remedy, or any that has authentically received the sanction of the Medical Faculty. The WONDERFUL VEGETABLE PRODUCTION of which this medicine is composed has been tested in virtue, in every clime, and by the high and learned of the faculty of London, Paris, and the chief cities of Europe, as well as by eminent Physicians in this country. It is the only reliable remedy for NERVOUS, HEAD and MIND COMPLAINTS—the greatest physic so long sought for and never before found, the only agent that can administer to MIND DISEASES. It will remove all painful affections, DEPRESSION, EXCITEMENT, incapacity to study or business, loss of MEMORY, CONFUSION, Morbid fears of Self Destruction, fear of insanity, &c. It will restore the application of new life to those who have destroyed it by Sensual Excesses, or evil practices. It has been said by some that their disorders, emissions, &c., were incurable. This answer is a libel on the fact.

DR. MORSE'S INVIGORATING CORDIAL, is a constantly curing disease completely relieving the mental and bodily incapacity of the unfortunate sufferer as the following testimony of the names received will conclusively show:

Dr. Woodward, of the Massachusetts Lunatic Hospital, writes of one of his patients being cured by using this cordial, thus:—"It gives me pleasure to inform you that one of my patients, who is timed, practised some of your cordial. He believes that he has received a single emission since he commenced taking it while before he had two or three a week. When he applied to me, says Dr. W., "he was so nervous that he could not walk in the street without reeling for fear he should fall, but now he feels well." In the meantime he just used some of your Cordial, which has effected a cure. I am sure no other medicine would. I shall ever recommend it whenever an opportunity occurs."

The nature of the maladies relieved by this Cordial are painfully such as to leave the public in a state of entire doubt as to the question, and the proprietor could produce most of the most conclusive testimony to show that the great reputation it enjoys was not accidentally obtained, but is firmly based on its positive and apparently miraculous virtues. Men all directions are to be found, happy parents of healthy offspring, who would not have been so but for the extraordinary preparation. And it is equally potent in many diseases for which it is recommended.

THE MEDICAL JOURNAL

have not in a single instance, but have been authentically given their sanction to any other preparation for the above complaints. It has, in many violent and desperate cases, effected a radical cure, after patients had been abandoned, and their condition pronounced incurable by medical practitioners of high professional character.

THE COMMON EXPRESSION

of those who have used this Extract, and had learned that Cordial, highly spoken of, but never one of the preparations in question in its stead, having tried various medicines said to be the same, proclaim different characters without deriving any benefit, and are now in despair of obtaining relief, have hunted up some of your Cordial. It had no faith whatever, of its benefiting me—but it has. I feel stronger, have had no emissions since, although it is about three weeks since I commenced taking it. I feel sure this will cure me."

Another says: "I had a dreadful cough, night and day, and could not get cured, others prescribed this thing and that, but I found no relief until I procured some of your Cordial. I must say it completely cured me."

A other says:—"I was surprised at the effect your Cordial had. Why had I not heard of it before? It would have saved me so much expense, besides years of mental and bodily suffering."

CAUTION—Ask for Dr. Morse's Cordial and take no other, as there are worthless imitations which, in unrivalled excellence, have brought into the market. It will not hurt the most delicate female, but do good. Beware of all other Cordials, &c., (and by only this.)

It is put up in pint bottles, with the words Dr. Morse's Vigorating Cordial, blown on the glass. Price $1 per bottle; 2 bottles $2; 6 bottles $5 and $24 per dozen.

N. B. Important advice gratuitously given to the Sick. Persons consulting by letter, must enclose $1 with a description of their complaint, and receive a prompt reply. Persons personally or by letter, consulting the Physician, will receive advice and medicine for the speedy removal of such disability, will be sent forwarded to the writer's address.

Dr. M. is prepared to warrant a perfect cure in every case or take no pay.

Prepared by Dr. Morse, M. D., principal office, 102 Broadway, New York; 2 and 4 Sudbury st, Boston at Dr's New England Office, 2 Sudbury street.

And sold in Bangor by D BUGBEE, No 5 Kenduskeag Bridge, in Portland by Edward Mason, Middl Street.

A Life Saved!

THE life of George Buckmore, of this city, was saved, from a premature DEATH by the timely use of DR THOMAS G. BROWN'S

Spirits of Life,

Or Universal Cramp and Pain Killer.

This valuable medicine is the same that saved the life of Mrs. Mary Bragdon, of Carmel, some three years since, who was attacked with Cramp in the neck. All persons must be aware of the immediate danger arising from such attacks.

THIS MEDICINE was the first and only remedy that gave relief to Miss Cochran, of East Corinth, (daughter of Chauncey Cochran, Esq.) whose life was despaired of from the effect of an attack of Rheumatic Fever, June 27th, 1850. This was all accomplished by the use of Dr T G Brown's Spirits of Life, or Universal Cramp and Pain Killer.

All persons who have made use of the Spirits of Life acknowledge it to be superior to any preparation bearing the name of Cramp and Pain Killer.

The genuine Universal Cramp and Pain Killer is prepared and sold at wholesale and retail by the sole proprietor,

George Hummell's PREMIUM ESSENCE OF COFFEE.

ONE package of this essence will serve four pounds of Coffee, and families not only of the poorer but of the most genteel and richest and many of the first physicians of this city and of other places say that Coffee made with this Essence is more wholesome, more delicate, finer flavored, more easily digested, more clear, and in every instance better than Coffee.

This Essence was awarded a silver medal by the American Institute of New York, also a premium by the Franklin Institute of Philadelphia, 1851, in both instances the highest premium for such articles.

Lesage's Specific,

NEVER failing remedy for thoroughly eradicating diseases of the Urinary Organs, such as Gonorrhea, Gleet, Whites, Stricture, Stone in the Bladder, &c., and needs but to be once used to be universally esteemed. The proprietor, would respectfully caution those troubled with the above annoying complaints, to beware of those cures every where, which unprincipled individuals, without the slightest knowledge of the structure of the human system, recommend for every disease. Lesage's Specific is only intended for the cure of Private Diseases, and the thousands that have sent their unsolicited certificates vouch for its efficacy, while the better it is known the greater is the demand for it. How different from the various quack medicines which, when the unhappy patient has once used, no inducement can ever make him try again.—Lesage's Specific has been the remedy depended on by every class, the senator, the lawyer, the mechanic, the seaman, and the dashing cyprian have all tried it and found it truly the good Samaritan, in the hour of trouble.

Dr. Darby annexes extracts from some of his certificates:

U. S. Frigate Cumberland, 1851. I contracted a disease at Naples, and tried all the remedies suggested by the most experienced Surgeons without success. Lesage's Specific has restored to me the health I long despaired of.—J. W. W.

Louisville, Ky.—I have much pleasure in stating that Lesage's Specific has cured me of a gleet of 22 months duration.—H. C. P.

Bangor, Me.—After having used two bottles I found myself cured of an old standing complaint in six days, and shall not fail to recommend one, should I know of any troubled as I was.—John Brown.

Sold by RALPH H. DARBY, Apothecary, No. 51 Broad street, Boston. Price $1.00 per bottle; two bottles $1.75.

Orders from the country, enclosing a remittance promptly attended to. A liberal discount made to Physicians, Apothecaries, Masters of Vessels and Experienced.

Bigelow's Alterative.

A CERTAIN cure for DYSENTERY, DIARRHŒA, CHOLERA MORBUS, and all Summer Complaints. GEORGE W. BEECHER Proprietor, 98 Reade street, New York.

For children who are Teething, and Cholera Infantum, this medicine stands unrivalled. It may be used with perfect safety both by old and young, and when faithfully administered it has never been known in any case to fail of a speedy cure. Unlike other medicines, it corrects the bowels, and often in a few hours the patient is restored to his accustomed vigor and health.

We append the following testimonials:

I have used "Bigelow's Alterative" in my family, and have never found it to fail, when all other remedies administered by and under direction of Physicians have proved ineffectual. I think it a perfect corrective for Dysentery and all Bowel complaints.

GEO. W. BEECHER, 47 Wall st.

New York, March 22d, 1852.

We can add our testimony to that of others of its great efficacy in our own case, when prostrated to an alarming degree by bowel disease. It was the only medicine that gave relief, and one now always kept in the family.

Editor of the N.Y. Baptist Register.

Utica, April 15th, 1852.

"Bigelow's Alterative," advertised in another column of our paper, is, probably, the best cure for Dysentery, Diarrhœa, &c., &c., that has ever been offered. We seldom make a point of extolling patent medicines, and for the very good reason that most of them are entirely undeserving of praise; but we have unbounded, indubitable and respectable authority that the above (Alterative) is all, and more than all, it professes to be, that we cannot do less than make mention of it in this way to our readers. All that we ask of the most credulous in such matters is, to read the *Certificates* embodied in the advertisement, and then judge, from the high standing of the parties (whom we thus really, promptly and *publicly* to certify,) candidly to say whether a remedy so endorsed, is worthy of attention or otherwise. We have more to say of this remarkable preparation.

Editor of Railway, N.J. Advocate and Register.
